EXCLUSIVE INTERVIEW

#HIT THE ROAD

Joe Sugg and Caspar Lee set themselves their biggest challenge yet: to go on an epic road trip across Europe – with NO MONEY! They had to sing for their supper, dress up like idiots and survive Caspar's deadly parps! We caught up with top prankster, Thatcher Joe, to find out all about their new DVD, Joe & Casper Hit the Road.

What's the cringiest thing you had to do on your trip?

I had to stand in my pants to be photographed for a modelling agency!

Did anything go wrong on the trip?

Caspar farted a lot whilst I was driving and because we were being filmed I wasn't allowed to open the windows!

What was the funniest thing you had to do?

Learn how to sing opera. Caspar so wasn't designed for opera!

I THOUGHT YOU SAID IT WAS A SARDINE!

What's the worst dare you've ever had to do and why?

Recently I was dared to be slapped with a giant fish! Not only did it hurt, it also STANK!

What's the grossest thing about going on a road trip with Caspar?

He eats REALLY loudly!

What's your favourite comic to read on road trips?

Definitely The Beano!

Have you ever had a prank backfire?

I recently made a crossbow out of pencils to fire at Caspar but I missed and he chased me and I dropped my camera down the stairs! FAIL!

I'VE REALLY
PUT MY FOOT IN
IT THIS TIME!

**What's the
worst thing
you've ever
done for Odds
On?**

Lick a foot -
and it wasn't
mine!

**What's the most epic prank you've
ever pulled?**

I pulled a prank on Caspar where I filled his room with 1,100 balloons. I hid our friend, Oli, in the balloons with a clown mask on. Caspar came home, saw the balloons and thought it was really cool, but he didn't know Oli was hiding in them! It gave him the fright of his life!

I CAN
NEVER
UNSEE!

**What's the
grossest prank
you ever pulled?**

The shower prank
I did on Caspar
because I saw
his hairy butt...
NASTY!

**Joe & Caspar Hit The
Road is out on DVD and
digital download now!**

27

13

"Bi-do" in Minionese means "sorry".

14

There's a secret Villain Network TV channel!

15

The Minions don't need air to survive!

16

The Queen has NINE thrones!

17

Gru's guard dog, Kyle, is a cross between a piranha and a pit bull!

18

Gargamel from the Smurfs can be seen sitting in front of the Minions at Villain-Con.

19

Gru has Stuart and Dave on speed dial!

20

Gru wasn't always a supervillain. He was a jelly manufacturer!

21

The Minions got the Hollywood treatment! In the first Despicable Me movie they had wonky teeth, but by the second they were perfectly straight!

22

Kevin fancies Scarlet Overkill! Ew!

23

Kevin is a tech expert!

24

Stuart's nicknames are Stu, Stuperman and Beef Stu!

25

Kevin's nicknames are Kev-bo, Seventh Kevin and Sir Kevin!

26

In the Minionverse there are only five different hairstyles - bald, buzzcut, sprout, spiky and combed.

27

The movie is set in 1968, 42 years before Gru.

28

Blackbeard used to be the Minions' boss. He was a famous pirate who used to scare people by having lit fuses in his beard!

29

The butler in the Queen's palace is the same butler who appears in *Despicable Me 2*!

30

The Minions built a pyramid, but they built it upside down and squashed a Pharaoh!

31

Kevin plays polo while riding a corgi. That's not so weird though - in some countries they play polo on elephants!

32

Did you know the Queen created a mutant dog? She bred a corgi with a dachshund and created the Dorgi!

33

Tall Minions only ever have sprout hair and one-eyed minions are normally small.

34

Bob's nicknames are Robert, King Bob, My Boy and Bobby.

35

Bob makes all the Queen's guards wear yellow and blue dungarees - just like the Minions!

37

Stu, Bob and Kevin were designed to look like Gru's daughters - Margo, Agnes, and Edith.

36

In *Despicable Me 2*, Lucy gives Gru her phone number. It was a real number! If you call it you can leave her a voicemail!

38

The idea for the evil Minions came from a cartoon where Tweety Bird drinks a potion and turns into a monster.

39

Only seven Minions have names and they're all boys - Dave, Stuart, Kevin, Jerry, Tim, Mark and Phil.

40

Stuart's girlfriend is a yellow fire hydrant called Papagena!

41

The Minions were originally going to be big scary orcs.

42

The Minions used to work for a T-Rex! They would travel around on its back polishing its scales!

43

Evil Minions are indestructible! They're immune to guns, axes, flamethrowers and can even swallow bombs!

44

The Minions don't freeze! They've got superpowers!

45

The Queen's jewels are worth over £35 million! No wonder Scarlet Overkill wants them!

46

Kevin discovered the Minions' famous blue overalls!

47

The kid whose bear explodes in Despicable Me 2 is the same kid whose balloon is popped by Gru in the first Despicable Me movie!

48

Minions get really sad if they don't have a master!

49

All hail King Bob in Minionese by calling him "Yang Mulia" which means "Your Highness".

50

Did you know bananas are radioactive? They are full of potassium. Don't worry, there isn't enough to hurt you!

MAKE A PAPER MILLENNIUM FALCON!

FIFA 16 TIPS

Don't be a chump – be a CHAMP with our epic FIFA 16 tips, they'll make you man of the match!

THE RABONA SHOT!

To pull off a Rabona Shot hold down L2 + Circle + L on the Playstation or LT + B + LS on the Xbox!

PIN-POINT PASSING!

Slip the ball through the tightest of gaps by holding down RB + A (Xbox) or R1 + X (Playstation) when you make a pass. Remember, the striker you're passing to has to have exceptional ball control like Messi and Ronaldo or they'll struggle to trap the ball.

KEEP POSSESSION!

Keep possession when receiving a pass by getting your player to use his body to protect the ball. Hold LT/L2 to buy vital seconds to make runs or create gaps.

SLIDE TACKLES!

You can end a slide tackle early by pressing the slide tackle button after your player has begun their slide. It's the best way to recover from a missed challenge and keep your player close to the ball.

NO-TOUCH DRIBBLING!

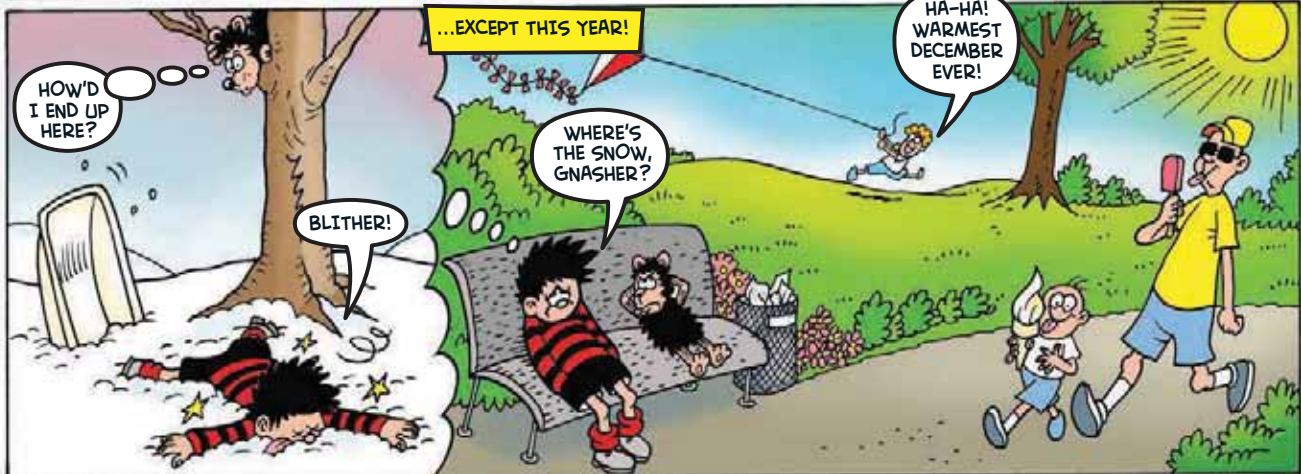

Don't make the mistake of using LB/L1 and wiggling the left stick. It's rubbish! Instead get your player to do a big feint by pressing LB/L1 + RT/R2 at the same time to confuse opponents by feinting one way and exiting the other. Let go of L1/LB when choosing to exit.
